[FOCUS ON NEW PRODUCTS](#)

[Varnished plain wood handle](#)

This **homogeneous varnished**, 1.25 meter **wooden handle** (ref. 930151) is **capable of withstanding strong pressure**. It remains stable. It is therefore particularly well suited to outdoor brooms, deck cleaners, scrubbers, floor squeegees, etc.

[Telescopic handle up to 3 meters](#)

Professional telescopic metal handle, (ref. 930161) that **can be deployed up to 3 meters**. Made in Italy and manufactured in a light but solid metal, this handle is more particularly **suited to the ceiling brush** (930160) **as well as window squeegees** (930098, 930135)

[Reclining ceiling brush](#)

The **triangular ceiling brush** with connector (ref. 930160) provide efficient and easy removal of cobwebs and dust. The connector is helpful to use the product with **any degree of inclination** relative to the handle. The product is sold without a handle. It fits perfectly with the professional 3M telescopic handle.

[New budget bucket](#)

With a capacity of 11L, the **BUDGET round bucket** (ref. 930156) is an inexpensive product offering a **good solidity**. The bucket is easy to empty thanks to its **spout** and the **notch** under the bucket. Moreover, the product is made from 100% virgin plastic.

[More useful handles !](#)

Our handles in grey sheathed metal with and without barcode (ref. 930072 and 930072B) are upgraded with a **swivel cap** (our other handles have already this type of cap). It's then easier to store and highlight the brooms on the shelves (you screw them onto the handle and you can then rotate them to do whatever you want by turning the top of the handle).

[PROFESSIONAL products available from March](#)

Heavy duty broom

The **heavy duty broom** (ref. 930165) is very resistant. It has a 100% pine wood sole, an inclined socket in reinforced metal with anti-rust treatment and PVC fibers.

Heavy duty handle

The **wooden handle** (ref. 930163) is 1.40 meter long, it is very resistant and is suitable for the heavy duty broom. Non-screw handle made in France from pine.

Metal dustpan

The **lacquered metal dustpan** (ref. 930164) is almost indestructible! It's the perfect tool to clean the garden or fire places.
