Even cooler clothespins

More colors for our giant extra-strong **POL'HOP** clothespins! There are more blue and green pins, making our products more visible on the shelves, but also more fashionable. The silver color is still present. The references concerned are: **930094** (pack of 10), **930095** (pack of 20).

Our clothespins, manufactured in our Italian factory, are robust and strong. That's why we call them **TIGER**. Made from 100% virgin plastic and a stainless steel spring, they're unique.

This type of advertising can be adapted on request.
